

TO WHOM IT MAY CONCERN

The following has been prepared principally for the parents and legal guardians of children registered to attend the nursery operating as High Hazels Nursery.

High Hazels Nursery Ltd (the ‘Company’)
High Hazels Nursery 475 Main Rd, Darnall, Sheffield S9 4QJ (the ‘Nursery’)

On 4 April 2024, the Company’s directors attended a video conference with Mark Nicholas Ranson, licensed insolvency practitioner, of Opus Restructuring LLP. The purpose of this conference was to discuss the Company’s financial position and the feasibility of any ongoing trading.

Regretfully, it must be announced that with effect as at close of business on 9 April 2024, the Company’s business must and has immediately ceased. In summary, the reasons for this comprise the Company’s inability to pay its debts as and when they fall due, with no reasonable prospect of recovery. Immediate cessation of trade is required to ensure that the Company’s creditors’ own positions do not worsen.

For the avoidance of doubt the Company’s business will not be operating from and including 10 April 2024. You are asked not to bring your child/ren to the Nursery. No facilities will be available.

Please note that all Company employees have, as a result of the above, been made redundant with immediate effect. Please be sympathetic to their difficult situation if you should meet any of them.

Should you wish to contact us please email highhazels@opusllp.com. Please note, however, that we are not in a position to advise on alternative childcare arrangements.
